Issuing authorities

9
Document families

This edition lists 14,136 identity document templates from the most common document families. The recognition catalog contains 16,899 templates for 254 issuing countries and authorities. Proof of address is not included.

Overview

This catalog is the customer list for Identixia ID Document Recognition. It contains **14,136** templates issued by **250** countries and authorities. Those templates are the most common identity-document families in a recognition catalog of 16,899 templates and 254 issuing authorities.

Each row is one template. A back side or an extra page is listed on its own row when the catalog stores that side separately. Proof of address is not included.
